

```
1  #include<stdio.h>
2  int main() {
3      int sum = 4050;
4      float percentage = 87.9;
5      printf("Sum:%0*d\n", 20, sum);
6      printf("Percentage: %.2f", percentage);
7      return 0;
8  }
9
```
