

```
1  #include<stdio.h>
2  int main(){
3      const int a = 10;
4      printf("A before: %d\n",a);
5      a = 20;
6      printf("A after: %d",a);
7      return 0;
8  }
9
```
